Board Meeting Dates: The Board of Directors meetings are set for the second Monday of each month at 6PM at the Country Club unless changed by the Board. Suggestions for improvements are always welcome. Concerns or questions that are related to the grounds or greens should be directed to the Superintendent through the Grounds and Greens Committee. The G&G Committee may in turn redirect the concern to the Board of Directors.

2016 ANNUAL DUES

Family \$350

Single \$300

Student \$85

Social \$100

\$10 penalty if paid after March 1; \$20 penalty if paid after April 1. Facilities may not be used if not paid by May 1.

*Single is defined as divorced, widowed, single or legally separated

**Student is defined as enrolled full-time in a junior high, high school, college or university, or technical, trade or mechanical school.

Cart Stall Rental Fee \$90

Motorized Cart Trail, Fuel/Electrical Fee

\$90

Cart Storage for current year nonmembers: \$180

Family Membership Policy: And individual shall be covered under a family membership until the age of 21 years providing, 1) the person is unmarried and, 2) the individual resides in the parent's/guardian's home. The individual will be covered for the remainder of the current calendar year that he/she becomes 21 under the two provisions described herein. If the individual does not meet the two provisions he/she must have their own family, single or student membership.

Trail Fee: The trail fee for use of motorized cars owned by nonmembers is \$5/day.

Clubhouse Rental Policy: The Board has a Clubhouse Rental Form that must be completed, signed by the member and submitted to Steve Fetty before the rental date is confirmed. Steve has blank forms which include the rules for use of the clubhouse and the kitchen. The rental fee is \$250 for wedding receptions and \$100 for all other functions. The rental fees are to be paid at the time the written request is submitted, deposit for wedding receptions is \$100. There will be tablecloths available to rent for all events at \$5 each.

Group Size: The Board discourages play by groups of more than 6 players. The Board further requests that groups be aware of player(s) that follow. Groups who are playing slowly should use good golf etiquette and let the faster groups play through. Traffic on Wednesdays is pretty heavy so especially be aware of those who are playing behind your group.

Shirt Policy: Shirts are required dress on the course and in the clubhouse at all times.

Tournaments: The chairperson(s) are responsible for meeting with the committee and planning for the tournament. The committee should make every effort to communicate with the membership and out-of-town clubs so each tournament will be filled. Steve Fetty will have cash and checks for prizes if the chairperson will contact him in advance of the tournament date. At least 20% of the gross receipts for all Open Tournaments must be returned to the Club.

Driving Range Guidelines: The Mt. Ayr Golf & Country Club's members and guests are permitted use of the driving range located just north of #9 tee. The property is owned by Sandy Taylor and operated by the Mt. Ayr Golf & country Club. The Board requests that users of the range be responsible for putting trash in the receptacles and keeping bottles and cans picked up. Other guidelines adopted by the Board follow:

- 1) The \$75 membership fee is only good for the member and/or his/her covered family
- 2) Vehicles other than golf carts are not to drive beyond the north maintenance building. Vehicles should be left at the clubhouse or parked in the designated area south of the maintenance building and never in the drive or doorways by the metal building.
- 3) Golf carts may be driven to the range and should be parked along the south side of the range near the cart path. The Board encourages drivers to use the east side of #9 fairway next to the ditch or the blacktop road driving with much caution.
- 4) The distances on the range will be approximate and identified by a marker.

Distance Markers: Stakes are located on the side of each fairway: red for 100 yards, yellow for 150 yards, and blue for 200 yards. In addition there are various distances marked on each fairway sprinkler head. Distances of 100, 150, and 200 yards are also marked on the cart paths. Distances are measured to the center of the green.

Placement Flags: Each flag pole has a yellow/orange flag that indicates the location of the hole on the green. If the flag is at the top of the pole, the hole is to the back of the green. If the flag is near the bottom of the pole, the hole is near the front of the green.

Signs: There are directional signs located at various places on the course to aid drivers and establish traffic patterns on the course. Particularly note the Course Closed sign on #1 and #3 tees when weather conditions do not permit play. Please respect the decision of the groundskeeper, Grounds and Greens Committee and Board of Directors when the "course closed" sign is out. The Board requests all drivers abide by the signs around the green: Carts No Closer than 30 feet from the Green!

There will also be signs at #1 and #3 tees to communicate driving restrictions for each day. For example:

NO CARTS simply means the course is open for play but no motorized carts are permitted

CARTS ON PATHS means carts must remain on the cart paths at all times

FOLLOW 90 DEGREE RULE means carts should be driven from the rough or cart path at right angles toward the ball and immediately return to the rough or path

Cart Paths: Please use reasonable speed and always maintain driver control on the cart paths. There are a few steep inclines so be especially careful in those areas. The cart paths have greatly enhanced the beauty and use of our course.

Golf Cart: Children under age 14 are not allowed to use motorized golf carts unattended. These children may drive a golf cart if an adult is in the passenger seat of the cart.

Please check board in clubhouse or web site www.mtayrgolf.com for tournaments added after printing of the handbook. If you are unable to work an assigned committee, you must find a substitute.

Tournament Notes:

Womens Ryder Cup Open Tournament- 2 Lady Teams, playing 18 holes. Teams play in a format that changes every six holes (6 holes of best shot, 6 holes of alternating shot, 6 holes of lowest score). We had a great time last year and we hope you will join us this year! Invite your friends to come enjoy the afternoon. Tournament will start at 2 pm.

Ladies Club Tournament- 2 Lady teams in best shot format. Choice of an 18 hole tournament and a 9 hole tournament. The tournament committee will provide details of the tournament at a later time.

2017 Socials

Fridays will combine golf with some of the Social Events planned at the course. So, whether you choose to golf, socialize or both, we encourage you to come out to the course and have a great time. Friday evenings will be either organized events or available for open golf. Open golf is encouraged for couple's golf without the formalities. This allows groups to get together as best meets their schedule. We encourage members to invite others to play and spend relaxing evenings on the course. Organized events and details are listed below! Mark your calendars now and make plans to attend these events.

Friday Organized Evenings-

May 5 Sombrero Shootout

What better way to celebrate Cinco-de-Mayo than at the club?!

We'll be hosting a golf mixer- betting, prizes, Mexican drink specials and dinner. Fiesta FUN! Golfing starts promptly at 6. If you're not golfing, join us for dinner at 7:30 (but you really should golf!).

June 23 Thrifty Mixer Golf

6 pm organized golf mixer

Instructions: Bring your thrift store find(s), you won't be wearing it, but someone will! We're talking hand-me downs, grandpa style, faux anything, pajama pants, etc-if it makes you giggle or squirm, we need to see it.

After golf we'll fire up the grill- bring your own meat and we'll supply the sides.

July 28 Wine, Dine & Nine

You asked and we are pleased to bring back the WINE, DINE, & NINE event.

This is a classy evening of wine tastings on the course, followed by a fantastic dinner paired with wine. Rounding out the event we will play night glow golf. If you don't like wine, you haven't tried the right one yet, but we don't want that to deter you, a full bar will be available. This event has received rave reviews in the past and offers a sure bet for a great time! Reservations are required.

August 11 Family Movie Night (Under the Stars)

Weather permitting we will host a movie under the stars, complete with games, snacks, candy and more. Bring the family for an enjoyable summer evening! Event starts at 8pm.

Other Social Events-

December 16 Breakfast with Santa

Enjoy a party with the Clausess! This special come and go event, includes buffet style breakfast, crafts, games, and telling Santa your wish list. Enjoy the magic of the holiday season!
